

March 2010

Dear Parent/Carer

**Internet Safety Information Evening  
Tuesday 4<sup>th</sup> May 2010 at 6:00pm  
School Library**

In response to parental concern, I am writing to invite you to an informative presentation on how to help your children use the internet safely. The talk will be given by Steve Compton, a technology consultant at Shropshire County Council. It will last about an hour and will include information and guidance from the County Council and from the Police. The aim of the session is to raise parents' awareness of the dangers in the use of the internet and social networking sites, and thus help parents to keep their children safe. Leaflets on these issues will also be available.

If you are interested in attending the event, please could you complete the slip below and return it to your child's tutor by Friday 30<sup>th</sup> April so that we can make suitable arrangements.

I look forward to meeting you on the evening.

Yours sincerely

Mrs C Bedford  
Assistant Headteacher
