

July 1 2011

Dear Parent / Guardian

In response to requests from School Council for a change of school uniform we have conducted an extensive student survey. Governors have been consulted throughout the year and have now responded to students' views through the full Governing Body approving a change of uniform from September 2012.

The new uniform will consist of: blazer, shirt, tie, trousers or skirt and black shoes.

Currently we have a working party of staff and students who are moving forward with the detail and suggestions such as: design of school badge, House colours in ties and a style of trousers and skirt. This working party will also consider price, keeping the cost of a new uniform as close to the existing one as possible.

More details will be available in the autumn term.

Yours sincerely

Ms. J. Radbourne  
**Headteacher**
